July 10th 2010

On behalf of myself, my Ownership and Management Companies and my Owner, Mr. Luciano Benetton and his Family, I would like to thank Yacht Help for the services, assistance, support and the treatment we've received during our cruise in Fiji Islands and our long stay in Denarau Marina.

You've been so kind, discreet and professional, and I've really appreciated your way of working and acting for TRIBU'.

Thank You David, Eli, Janice, my good friends in the Pacific and my home away from home.

For sure I will recommend my colleagues to give You a call when planning to come to Fiji.

Best Regards & vinaka.
