Asia Pacific Superyachts service and destination experts from among the 17 branches in 15 countries will be on hand.

“We have the support and supplies networks in place to effectively support all visiting yachts for their journey through Asia and the Pacific regions of New Zealand, Tahiti and Fiji. We will be meeting Captains, managers, and charter companies in a show of strength and solidarity in our abilities as the leading yacht support agency in the Asia-Pacific market,” comments APS Phuket & Myanmar General Manager Gordon Fernandes.

MYS ranks as one of the most travelled to events by private jet and yacht in the world each year, with hundreds of the most luxurious superyachts along with a new generation of superyacht toys on display at the iconic Port Hercules.
