AYSS Sponsorship of the Wobbly Club Race – Antigua
February 2012
Catamaran Marina, Falmouth

With a gentle breeze blowing under the blue Caribbean sky 12 teams took up the challenge, collected their two sheets of plywood and started to build. The boats were judged, mermaids rescued, the race completed, prizes presented and a lot of fun had by all. A number of beautiful mermaids waited on Neptune’s Island and the final run for the finish line confirmed who the best boat builders were! Amazingly over 12,000 EC$ was raised for ABSAR (Antigua and Barbuda Search and Rescue). Thanks go to all the competitors, sponsors, volunteers and the clean up crew who made this happen.
