[Good bye APS Phuket](#)

Gordon Fernandes

I decided to drop Asia Pacific Superyachts Phuket services on departure from Phuket 10th January to Langkawi. As an evolution of things it came naturally as I know my way around as well as the Agents does.

So I thought I might as well do the legwork myself as I have the time and means. I also had the pressure from the office to cut running costs of the ship so after looking at my expense sheet it became obvious where the knife is going to cut.

Anyway, I thanked Gordon Fernandes of his services and cleared his invoice. I will gladly do business with him again, if the opportunity arises in the future.
