Mr Rathnam from Asia Pacific SuperYachts was of great help from the first day we started communicating via email.

On arrival in Port Blair, Mr Rathnam made sure our Check In process was as smooth as possible, which it was.

Guest loved the guided sightseeing tour of Aberdeen, also great recommendations on restaurants.

In all The Andaman Islands has plenty to offer and I would definitely recommend Mr Rathnam and his team to ensure your time in the Andaman Islands is well spent.

Yours Sincerely,

Morgan Morice

Skipper
