

MY Caipirinha

Dear Adam,

It was a pleasure to see you again today in Male and thank you as ever for your help, humour and service over the past month or so. Without you and your team we really couldn't cruise the Maldives with such ease so many thanks from us all here on Caipirinha.

Sadly our time in the Maldives has been cut short but we hope to return soon and will of course be in touch when we do.

Once again many thanks for all your help Adam, it really is appreciated.

All the very best,

Angus.
