## Cruising in Indonesia Seminar at Asia Pacific Superyacht Conference

Boat builder, vessels operations manager and superyacht guide in Indonesia for the past 18 years, Captain Jimmy Blee will share the "Ying and the Yang" of cruising Indonesia waters at the upcoming [Asia Pacific Superyacht Conference](#) to be held April 26 - 28th 2012.

On the second day of the conference Jimmy Blee will take to the podium to reflect and share his years of experience in context with the current and the future of the marine industry in Indonesia. He'll share his passion

for "Cruising in Indonesia: The Ying and the Yang" and offer personal insights, kicking off the afternoon session on April 26th.

Detailing his understanding of the vast cruising grounds that make up Indonesia, he'll share the best way to be able to plan and execute trips which can cover as much of this wonderful country as possible.

A remarkable individual with a wide circle of friends in the yachting world, Jimmy has been a resident of Indonesia since 1994.

His early university studies in sociology and politics combined with his deep knowledge of boating in Indonesia should give all an insightful view of how to approach cruising in Indonesia.
