REFERENCE LETTER FOR ASIA PACIFIC SUPERYACHT PHUKET

It is with great pleasure that I am writing this review for APS Phuket.

Masquenada arrived at Yacht Heaven Marina in Phuket on November 2024.

Upon arrival, I immediately asked APS for help in finding local contractors to assist us in fixing and repairing plants and machineries as Masquenada was in constant need of maintenance.

I also requested their assistance with galley, engine, interior, and deck supplies.

Of course, APS also booked our stay at Yacht Heaven Marina, cleared the vessel and crew in, ordered bunkering and provided transfers for our guests and normal transfers for crew embarkation/disembarkation.

I want to emphasize that we used APS's services comprehensively, and we were fully satisfied with the service provided, Gordon, Jojo and their team were very efficient, had perfect timing, dedication, and attention to all our needs.

I have only positive feedback for APS, as I, along with Masquenada Head of Department, were absolutely satisfied and happy with the received service.

In Few words..... A.P.S. is the right choice for a successful staying in Thailand
