Re: Testimonial for Gordon Fernandez and Asia Pacific Superyachts - Thailand

I have had the great pleasure to know and work with Gordon Fernandez and his Phuket based Asia Pacific Superyachts Team for over 7 years.

On board Vivid we have completed two circumnavigations focusing on off the beaten path destinations. APS-Thailand has successfully supported us throughout Thailand, the Andaman Islands and Myanmar. When in the Andaman Sea area we have used Yacht Haven Marina in Phuket as a base. APS-Thailand has an office located here run very warmly and efficiently by Toby Koehler. The combination of Yachthaven and APS is excellent for repairs, crew support and guest trip logistics.

We have consistently received outstanding service from APS-Thailand. On several occasions over the last seven years we have through the last minute impossible support scenario to Gordon and his APS team and they have never let us down.

Gordon and Team...We look forward to seeing you soon as we are starting our third circumnavigation! All the best for continued success.

I would be happy to chat personally with any other captains or yacht owners regarding our experience with APS-Thailand.

Sincerely,

Timothy J Forderer
