

M/Y Explorer

Dear Peter

We at M/Y Explorer would like to thank you and your wonderful team for a successful visit / trip to your beautiful Island of the Seychelles. Throughout our entire time spent in and around the Island, you and your team responded to every email, request, special orders, deliveries and even medical emergencies expeditiously and with a smile.

We will definitely be back and look forward to working with you in the very near future again.

Best Regards

Captain Riaan Coetzer
