Gordon Fernandes, Asia Pacific Superyachts

I have had the good fortune of using the services of Asia Pacific Superyachts on two occasions, in 1999 and 2012. During both visits we were based out of Phuket and cruised the surrounding islands. Demanding guests kept us on our toes, no request, no matter how small or complex seems to faze Gordon. After many years at sea and using many agents I can honestly say that the Phuket branch of Asia Pacific Superyachts is one of the best yacht agents I have had the good fortune of working with. I can unequivocally recommend the agency. Should you require any further information please contact me at captain@yachtadale.com
