REFERAL: ASIA PACIFIC SUPERYACHTS, THAILAND

I have been planning a season in the Andaman Sea for a few years now. When the time came to head that way, my owners were very interested in cruising in Myanmar and also in Thailand. I approached Gordon Fernandes to help with agency services.

We used Phuket as a base from December 2010 to March 2011.

Gordon was very professional, punctual and efficient from day one. He gave us solutions to logistical problems in both Myanmar and Thailand. Regardless of the request, he would try to find a way to get the job done.

He handled some very tough requests, without a problem.

Simply, he provided quality support as and when it was needed.

I have no hesitation in recommending Gordon and his team to any yacht that considers cruising in Myanmar and Thailand.

Sincerely,

Raymond Heer
Captain, MY-Andiamo.
