It is my pleasure to write a reference for Asia Pacific Superyachts Andaman Islands. Annaeva is a 56m Benetti that spent the new year of 2011 cruising on the West coast of Thailand, Burma and Malaysia. Annaeva is a very busy private yacht that operates worldwide with an extremely active and demanding owner.

Mr. Rathnam from Asia Pacific Superyachts Andaman Islands was instrumental in taking care of Annaeva this past winter season while we cruised this beautiful part of the world. His attention to detail, good advice and very professional attitude made even our most difficult and complicated plans come together flawlessly for our Andaman Island Cruise.

The complexities of this region of India included cruising permits, visas for guests & crew and landing permissions for our private jet. Asia Superyachts India is well versed in all of the custom formalities of this region and made this difficult task effortless.

I can honestly recommend them for all of your yachting needs while in this region.

Overall Asia Pacific Superyachts India made our 2011 South East Asia cruise a huge success and we thank them for their stellar efforts with us.

Please feel free to contact me if you need any further details.

Sincerely,

Christopher Callahan
Captain M.Y. Annaeva
