Dear Sir or Madam,

RE: AGENTS TO THE SAILING YACHT EOS.

It gives me great pleasure to write a letter of recommendation for a company such as the Singapore office of Asia Pacific Super Yachts and people like Scott, Joan and Shine.

I have been fortunate enough to have enjoyed a career of 20 years to date in yachting, 13 of these as master on 50+ metre yachts, cruising mostly off the beaten track where agents and yacht support services play an integral part in allowing us to operate safely and efficiently. Having relied so much on these types of support companies, I know what we require in the way of services and the level at which these should be constantly available, not only to a yacht owner and captain but also the crew and other support elements in each yachts yacht's own busy world.

I can honestly say that in two busy stops in Singapore, for varying duration and reason (pre owner, pre charter, crew R&R, maintenance/repair downtime) I have experienced the consistency in the types and levels of service that we require from a yacht agent. These have been provided with the honesty and integrity that I and our owner expect when someone is dealing temporarily with personal and fiscal matters relating to us and the owner.

I have the utmost confidence in the abilities and integrity of Scott and his team and as such, have no hesitation in recommending them to friends and colleagues in the industry. I wish them well, for the future and look forward to many more years of excellent service and co-operation. Please do not hesitate to contact me if you have any further questions or I can be of any further assistance in this regard.

Kind regards.

Jerry Reed

Master, S.Y. EOS
