

M/Y HELIX

O/N 743614 Port of Registry Georgetown, Cayman Islands

27th February 2013

To whom this may concern:

Motor yacht **Helix** is a 145ft tri deck Royal Van Lent, Feadship. Launched in September 2011, it is currently cruising the world on a Feadship promotional tour, visiting S.E. Asia from February 2012 to March 2013.

It is with great pleasure that I can recommend Richard Lofthouse of Asia Pacific Super Yachts for all your yachting requirements whilst visiting Indonesia.

I would like to thank Richard for personally taking care of our immigration, customs, cruising permits, dockage and all our provisioning needs whilst visiting Jakarta, Bali and the numerous other Indonesian Islands that we visited during our two month stay. Richard was also a great help in preparing cruise itineraries for us in preparation for charter and supply his local knowledge in many other domains; even flying ahead to remote islands to ensure a seamless operation whilst charter guests were aboard.

Richard and his lovely wife Susanna also helped organise in Jakarta many "VIP" visits of local dignitaries who were taking an interest in either purchasing or the chartering of the yacht **Helix**.

We found Richard, and all the Indonesian APSY team to be extremely competent and an absolute pleasure to work with and without their extensive expertise and local knowledge we would have been very lost indeed.

I hope to work with them again and be able to re-visit their beautiful country of Indonesia in the not so distant future.

Yours Sincerely,

YACHT HELIX GEORGE TOWN, C.I. OFFICIAL # 743614 IMO # 1010571
