## Testimonial

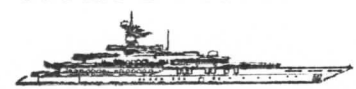

To whom it may concern

Asia Pacific Super Yachts Maldives where appointed to be our agents in December 2012 for 4 weeks. Over this period of time Mohamed and his team gave us great support throughout the Maldives on a daily basis. Talisman C is a 70m super yacht registered in George Town Cayman Islands, official number 743534.

I would highly recommend Asia Pacific super Yachts to any yacht that are looking for a professional service with a can do attitude. I would seek to use Asia Pacific super Yachts in the future if the owner of Talisman C decides to cruise these waters. If you require further information regarding our experience working with Asia Pacific Super yachts please don't hesitate to contact me via email [captain@talismanc.com](mailto:captain@talismanc.com)
