

Date : 03 June 2013

Dear David

You and your team made our visit to Fiji an absolute pleasure.

All round attention to detail and positive can do attitude especially during our owners trip was a welcome relief. We could not have done without you.

Please accept this as a token of Pacific's appreciation, distribute how you see fit and have a beer or 2 on us.

Thanks again and look forward to our next visit

Best wishes

Dave and the Pacific Team
