

Asia Pacific Superyachts

A silhouette of a person walking on a beach at sunset. The person is in the center, walking towards the right. The sky is a mix of blue and orange, with some clouds. The ocean is visible in the background, and there are palm trees in the foreground on the right side. The overall mood is serene and tropical.

- Banking assistance
- Medical care
- Preferred rates on many hotels
- Car hire and tours
- Travel arrangements

ITINERARY

WHAT TO DO?

Sailing

Sailing in the Andaman Islands is nice between December to mid-March. Expect hot sunny conditions during the day, cooler nights and a steady 15 to 20 knots of wind.

Scuba Diving

Scuba diving in the Andamans is world class. With many open ocean dive sites one could see large numbers of manta rays, whale sharks, whales and sharks.

Sport Fishing

The Andaman Islands have not been commercially fished much. As a result the fish life is truly incredible. As the fish in this area generally die of old age rather than being caught, they grow to a remarkable size.

Surfing

During March, April and early May, winter storms far away in the southern Indian Ocean create huge swells that that create perfect surf breaks on the west coast of the Andaman Islands

8-DAY SAMPLE ITINERARY

Day 01 | Port Blair

Arrive in Port Blair in the early morning hours. Tour Port Blair and visit the Cellular Jail, Chatham Saw Mill and the Anthropological Museum. Enjoy the sights as you stroll around Port Blair. In the evening your agent can give you some excellent restaurant suggestions where you can enjoy delicious Indian dining.

Day 02 – 04 | Ritchie's Archipelago

Cruise around uninhabited islands in Ritchie's Archipelago which are rich in flora and fauna and the marine Eco system. These islands offer pristine beaches, diving, snorkeling and sport fishing. While cruising around try the passage in Kawtaung Strait. Islands to be visited: John Lawrence Island; Henry Lawrence Island; and Outram Island.

Day 05 | Barren Island

A live volcano, During eruption every ten minutes or so the volcano roars to life and belches out cinders, sparks, then red hot lumps of magma, followed by a large cloud of ash – a truly magical, awe inspiring and unforgettable night experience.

By day Barren has exceptional diving, snorkeling, fishing or just lazing on the yacht and enjoying primeval nature. Underwater the sides of the volcano fall away steeply to depths of over 2000 meters.

Humpback, sperm and pilot whales are regular visitors to Barren in March and April each year and are quite relaxed towards snorkelers or kayaks.

Day 06 | Havelock Island

Located in the Ritchie's Archipelago, here you will find some basic restaurants, bars and resorts.

No. 7 beach, also called Radhanagar Beach, is white sand backed by tropical forest. Ashore are several resorts, restaurants and access to the main village of Havelock by road.

Havelock South has great fishing along the reef edge to the southern point and good snorkeling.

Day 07 | Neil Island

Neil Island has nice safe anchorages out of the wind. There's a chance when swimming on the north end of the island to see the famous 'Dugong'. Enjoy beautiful sunsets before departing this paradise.

Day 08 | Port Blair

After the guests' departure check out process can be completed and depart. Please note that boats have to depart as soon as possible after the check-out process has been completed.
