About Us

WELCOME TO THE MALDIVES – Cruising in the atolls offers a variety of diving, snorkeling, fishing and surfing with pristine beaches offering sanctuary to countless sea birds. You will find many 5-star island resorts amidst untouched natural beauty, sugar white sandy beaches and thriving coral reefs.

The Maldives is one of the best travel destinations in the world. The Capital island of Malé is among the largest of the Maldives, a nation which consists of a chain of atolls resembling a ‘string of pearls’. Blessed with extensive live coral reefs housing an endless variety of exotic fish and marine life, of the Baa Atoll’s 75 islands only 13 are inhabited. Of these only fifteen are resort islands, making the Maldives an ultra-exclusive and fast-growing favourite cruising destination.
